

## EL PASO LAUNDRY

### Rough Dry Department

OUR Rough Dry Department is popular from the start, showing that it fills a long felt want in El Paso. No need any longer to send your washing to unsanitary wash houses, from a motive of economy, when we do the work as cheap and under strictly sanitary conditions.

To those who do not understand just what we mean by "Rough Dry" the following will explain:

IN OUR Rough Dry Department we launder the entire family wash with the exception of starched shirts, collars and cuffs. Ladies' waists, skirts and starched lingerie are returned starched and rough dry. Table cloths, napkins, sheets, pillow slips, towels and all flat work sent home ironed and ready to use. Underwear, hosiery and all other soft goods rough dry.

A trial will convince you of the economy and merit of this method.

**Price 7c a Pound**

(No bundle laundered for less than 50c.)  
For Further Information  
PHONE BELL 470, 471; AUTO 1047.

### SMOKE SMOTHERS AN INDIAN AT SANTA FE

Slept Near Pile of Cinders and Breathed Deadly Fumes; Mexican Acquitted on Murder Charge.

Santa Fe, N. M., Sept. 12.—A Pueblo Indian from Santo Domingo, 40 miles south of Santa Fe, was found dead on a cinder pile along the tracks of the Santa Fe railroad, beside him lying three small doors tied up in an old place of calico. A coroner's jury brought in a verdict that he had died from breathing the fumes of the smoldering heap of cinders.

Albino Gurule was acquitted in the district court of Sandoval county at Bernalillo, when tried on a charge of killing Juan Valdez at Cabezón, two years ago. The case against Emiliano Sandoval on the same charge was dismissed. Valdez was killed with an ax in the presence of his 11-year-old son, who was the main witness.

**AUTO PERSONALS.**

School Opens Thursday, Sept. 15.

1111-1115 Terrace Street, Sunset Heights.

### ARTESIAN WATER STRUCK AT PECOS

The Value at Land Increases From \$15 to \$100 Per Acre as a Result.

Pecos, Texas, Sept. 12.—Immediately following the test made of the well on the state experiment station, which pumped water sufficient to irrigate 200 acres, a test was made of a 10 inch well eight miles south from Pecos, which delivered a like amount.

These wells average 150 feet in depth, and the water rises to within 16 to 20 feet of the surface.

Expert drillers and pump men from Houston have been in the field for three weeks, and have closed a contract to sink a well, guaranteeing 1000 gallons per minute. A well of this capacity will cover a half section, or 250 acres, 30 inches deep, during seven months, which is the irrigation season.

Great interest and no little excitement attends these tests, since the delivery of water in such quantities, to land now selling at \$15 per acre, creates a ready sale for the same land at from \$75 to \$100 per acre.

Already over 100,000 acres have been proven to be underlaid with this artesian strata, which averages 15 feet in depth, the water being found in coarse gravel.

In an address before the Commercial club, president F. W. Johnson stated that within three years, this type of development would attract 5000 settlers to the territory of Pecos.

**CHAMBERINO DITCH IS CLEANED FOR THE SEASON.**

School Opens—Wheat Is Held for Threshers—Water in Irrigation Ditch—Many Visitors There.

Chamberino, Texas, Sept. 12.—A girl baby was born to Mr. and Mrs. Ellis Toot.

The annual ditch cleaning has been commenced by La Union Community Ditch company.

The Chamberino school opens on Monday, September 12, with last year's teacher, Miss Clara Wakefield, in charge.

There are quite a number of wheat stacks around here, the owners of which are anxiously awaiting the arrival of the threshers.

Mrs. A. L. Toot, who has been visiting her son Ellis and wife, has returned to her home at Suka, Kan.

Mrs. Henry Szymon and children, from San Pedro, Mex., are visiting their daughter, Mrs. John C. Viljoen.

Clark Adams was taken suddenly ill and was removed to the home of his father near Anthony.

Sufficient water has been running in the irrigation ditch the last few days for the irrigation of gardens, orchards and some alfalfa.

The quail season will soon be open. The shooting will be good here.

C. R. Gunlin and family were called to El Paso to attend the bedside of his brother, Joe.

Outside of the energetic work of both parties, the election passed off quietly here, the vote being quite close, with the Republicans in the lead.

B. R. Fench, the famous, former plans buying an automobile for use in delivering honey to the market.

J. H. Lonsdale, who has been on the sick list, is much better.

Lewis Carpenter is in El Paso on business.

**RAILROAD TO SARAGOSA IS BUILT FROM PECOS.**

Public Schools Are So Crowded Classes Are Held in Halls Cannot Sell the New School Bonds.

Pecos, Texas, Sept. 12.—E. P. Turner, general passenger and traffic agent of the Texas & Pacific, is in the city, after a trip over his lines, to determine the number of extra cars necessary to transport the passengers who will attend the opening of the town of Saragosa, September 15 and 16.

The T. & P. has authorized a rate of one fare for the round trip from all points on its line to Pecos city, where the cars will be transferred to the Pecos Valley Southern railway for movement to Saragosa, in the Toyah valley.

Regular service will be inaugurated between Pecos and Saragosa, a distance of 20 miles, following the opening day.

Arrangements have been made to feed and care for 1000 people, and a program, typical of the west, will be provided.

The public schools opened with an enrollment of 416, an increase of 32 percent over the first week of last year. The new building, for which \$20,000 bonds were voted has not been built, because of the inability of the school trustees to place the bonds. In consequence the present buildings are crowded, two teachers hearing all their classes in the halls.

**CARLSBAD SCHOOLS ARE OPENED FOR THE SEASON.**

Man Who Mysteriously Disappeared Has Not Yet Been Found—Had Left Note Indicating Suicide.

Carlsbad, N. M., Sept. 12.—The public schools of Carlsbad opened with an enrollment larger than any previous year in the history of the school. An entire corps of teachers has been employed, all of whom hold first grade certificates and, with the exception of three new ones, are teachers who have been selected after serving for several years previously.

Up to the present time no trace has been found of Hicks Phillips, whose grip containing wearing apparel and letters was found on the bank of the river with a note saying: "Tell my folks good bye; I have chose a watery grave."

### CATARRH

A SYSTEMIC BLOOD DISEASE

Catarrh is not merely an affection of the mucous membranes; it is a deep-seated blood disease in which the entire circulation and greater part of the system are involved. It is more commonly manifested in the head, nose and throat, because of the sensitive nature of these membranes, and also because they are more easily reached by irritating influences from the outside. The symptoms of Catarrh, such as a tight feeling in the head, nose stopped up, throat clogged and dry, hacking cough, etc., show that the tiny blood vessels of the mucous membranes are badly congested and inflamed from the impurities in the circulation. To cure Catarrh permanently the blood must be purified and the system cleansed of all unhealthy matter. Nothing equals S. S. S. for this purpose. It attacks the disease at its head, goes down to the bottom of the trouble and makes a complete and lasting cure by PURIFYING the blood. Then the inflamed membranes begin to heal, the head is cleared, breathing becomes natural and easy, the throat is no longer clogged, and every unpleasant symptom of the disease disappears. S. S. S. is the greatest of all blood purifiers, and for this reason is the most certain cure for Catarrh. Book on Catarrh and medical advice free to all who write.

THE SWIFT SPECIFIC CO., Atlanta, Ga.

**CANANEA HOME BURNS; AN ARREST**

Cananea, Mexico, Sept. 12.—The home of N. D. Navarette was destroyed by fire, the building being an entire loss. The place was not occupied at the time, as it was recently confiscated by the government as Navarette is charged with smuggling merchandise into this city from the other side of the line. Navarette and his family live at Naco, Ariz., at present. The cause of the fire is unknown. Navarette has been arrested by the local authorities accused of setting fire to the house. He arrived in the city the same night the house was destroyed. The place was insured.

**WELLS FARGO ERECTS A NEW BUILDING AT CLOVIS**

Structure to Cost \$100,000; Many Social Events in New Mexico Town; Personal News.

Clovis, N. M., Sept. 12.—Work has begun on the \$100,000 Wells Fargo express building at this place by Chas. Clay-ton, a local contractor. A large amount of work is now being done on the foundation and the work will be rushed to completion in 60 days. The building, a two story pebble dashed brick, will be modern in every respect and provide offices for the large force of men in the employ of the company here.

Mrs. Gus Bryan gave a reception in honor of her sister, Mrs. Fritz J. Smith of Union City, Tenn., who is spending a few days with her.

Mr. and Mrs. John Anderson entertained complimentary to Irwin Gibson Erdman, who left Sunday for an extended trip on the Pacific coast.

Henry G. Coors, Jr., is expected home from Oklahoma City and other points in the east where he has been on a short business trip.

W. A. Foyell, cashier of the Clovis National bank, left for Kansas City, where he will spend ten days with relatives.

J. S. Bayless, superintendent of Harvey Houses on the Rio Grande division and his family have moved from Clovis to Amarillo, Texas, where they will make their home in the future.

Mrs. Cloy has returned from Union City, Tenn., where she had been called on account of the death of her sister.

Henry Cook, master mechanic of the Santa Fe, was transferred from Amarillo to Clovis this week and moved his family to their former home on East Grand avenue.

Ivy Holland, who holds an important position with the Santa Fe in Arkansas City, and his wife, arrived from that place and are guests of his mother, Mrs. P. H. Holland, on Grand avenue.

Mr. and Mrs. Tom Doran and Mr. and Mrs. Paul Doran have left for their future home in Santa Fe. They will take charge of the Normandie hotel.

Mrs. Sadie Carlton entertained the winter club at her home on North Walnut last week. Mrs. Cash Rayney won the club prize, a dainty hand painted plate. A two course luncheon was served at the close of the game.

H. D. Marshall, United States bank examiner, has been in the city from El Paso, inspecting the books of the three banks in Clovis.

School opened with a larger attendance than at this date last year. There are 15 teachers and 600 pupils, many more will be enrolled. The new \$20,000 brick building has much better facilities than have been afforded the teachers and pupils before.

Dan Elliott, division superintendent, and a force of eight men will work here Oct. 1 from Amarillo. He will have charge of the Pecos valley line and the road between Amarillo and Belen.

**CARRIZO RANCH HOUSE IS DESTROYED BY FIRE.**

Sheep Inspectors Go to Otero County; El Pasosmen Visiting in Carrizozo Visitors in Town.

Carrizozo, N. M., Sept. 12.—Fire Sunday destroyed the ranch house and windmill at the Seven X ranch. The ranch is located 20 miles west of here and is the property of the Carrizozo Cattle company. The cause of the fire is unknown.

Government inspectors Drs. J. B. Ginery and H. E. Pine, left for Alamogordo, where they have gone to inspect the sheep in Otero county.

Miss Jennie Brockway has returned from a visit with relatives at Pecos. Miss Georgia Lesnett, who has been visiting her sister, Mrs. John A. Haley, has returned to Roswell.

Miss Francis McDonald has gone to Denver, where she will attend Wolfe Hill.

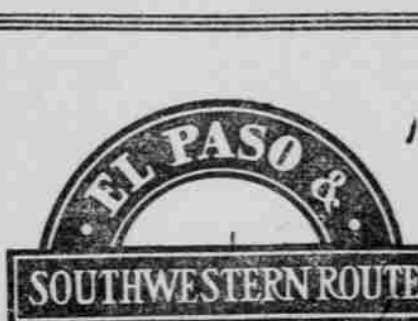

Mr. and Mrs. J. F. Kimball are visiting at Eldorado, Kan.

H. S. Campbell is in El Paso for a few days.

Charles Spence, the 16-year-old son of Clarence is ill with typhoid fever.

Wm. E. A. Gierke was a visitor here from Albuquerque.

John H. Canning has gone to New
